

## THE VISION STATEMENT

The vision of The Billy Oatman Give'em a Chance Foundation will promote America's favorite indoor sport of Bowling while striving to provide minority bowlers with the opportunity to join the Professional Bowlers Association (PBA). This foundation is formed in honor of Hank Hardy, one of Billy Oatman's favorite bowling coaches.

The "Billy Oatman Give'em a Chance Foundation" will provide sponsorship, leadership and coaching to bowlers who with proper training, will have the ability to compete successfully against the best bowlers in the world.

Our goal is to provide minority bowlers with the resources to participate on the PBA National Tour. In providing these services we will strive to utilize the most efficient, proven and current technologies, in addition to providing the best equipment available. Consistent with this goal, we will offer a proactive approach; (a) providing coaching to youth (b) providing coaching to experienced bowlers (c) participating in bowling tournament competitions and (d) creating and enhancing a positive image of minority bowlers throughout the United States of America.

Our philosophy is that there are many minority bowlers who have the talent to compete as professional bowlers if given the chance to receive the proper resources, financial support, guidance and the education necessary to succeed.
